ケンゾー エステイト KENZO ESTATE

The wines of Kenzo Estate are the culmination of Kenzo Tsujimoto's search for the finest plantable land in the Napa Valley.

His quest led him to an untamed mountain valley on the flanks of Mt. George, in Napa's Southeast corner.

Of the 3,800 acres that he purchased in the late 80's, only the best 4% have been planted to vines by famed viticulturist, David Abreu. Each autumn, the grape crop is delivered to the meticulously appointed winery, which was constructed of natural wood and stone in 2009.

Set into the landscape next to aging caves dug deep into the cool mountain rock, it is here that celebrated winemaker, Heidi Barrett, crafts wines of intensity, finesse and focus.

ロイヤルブルーティー ROYAL BLUE TEA

Royal Blue Tea is an elegant beverage made using only pure unboiled fresh water and the highest quality, hand-picked, naturally grown tea leaves.

It contains absolutely no preservatives, additives, chemicals or artificial flavouring.

The contents of each bottle are a gift from nature.

The tea leaves, which have been expertly cultivated by skilled artisans and are only available in very limited quantities, are infused in water using *mizudashi* cold-brewing method and constantly monitored for over three to six days to ensure full extraction of the leaves' true flavours, aromas, and colour.

Filtered sterilization, a heat free sterilization method, is used to eliminate bacteria and impurities. Much like fine wine, Royal Blue Tea is the perfect pairing for gourmet food of any cuisine.
